Embrilio.com Privacy Policy

Valid for all Embrilio Users. Release date October 2014. Version 1.02.

Embrilio.com has created this privacy statement in order to demonstrate our firm commitment to privacy. The following discloses the information gathering and dissemination practices for this Web site:

1. Data collection

For each visitor to Embrilio.com web site, our web server does not recognize neither the consumer's domain name, nor the e-mail address. Embrilio.com collects no information on the domain name, or the e-mail address of visitors to our web site, except those who are registered members with a pre-paid membership fee and that information collected only refers to the data input in the registration forms filled in by the members /users/ of Embrilio's services. Information on what pages the users access or visit, information volunteered by the consumer, such as survey information and/or site registrations and the details filled in thereto are collected automatically by the web-counter or Google analytics. The information we collect is used only and solely to improve the content of our web site, used to notify consumers about updates to our web site, and not shared with other organizations for commercial purposes.

2. Personally identifiable information sharing.

When you participate and register as a member /User/ on the Embrilio.com web site, we request certain information. Embrilio.com does not share any of your personally identifiable or transactional information with any person or entity. No other third party receives your personally identifiable information or other transactional data except for those with whom you have transactions. Details on the sharing of personal information can be found in the Terms of Use (Terms of Agreement) of Embrilio.com.

3. Use of address and phone details

If you supply Embrilio.com with your postal address on-line you will only receive the information for which you provided us your address. Persons who supply us with their telephone numbers on-line will

(or may) only receive telephone contact from us with information regarding orders they have placed on-line, in case of such.

4. Personally Identifiable Information

When visiting Embrioo.com's or any User's Web site and signing up for or using Embrioo.com services through any Service Page, you may choose to supply Embrioo.com with information that identifies users personally. For End-Users (Suppliers of Service – Creative members or Buyers), this information may include name and contact information, gender, birth date, occupation and industry, shipping and billing information, credit card numbers, bank account numbers and bank codes and other payment information, behavior patterns, professional background, and other information. This information is not shared with any other legal entity or person excluding the team of Embrioo and is used solely for the purposes of operating the Embrioo web site and provide the services thereto.

5. Notification of use

From time to time, Embrioo.com may use customer /Users/ information for new, innovative and unanticipated uses not previously disclosed or described in our privacy notice. If our information practices change at some time in the future we will post the policy changes to the Embrioo.com web site to notify you of these changes and provide you with the ability to opt out of these new uses or changes. If you are concerned about how your information is used, you should check back at our web site periodically.

6. Aggregate Information

Embrioo.com collects non-identifying, general, generic and aggregate information to better design our Web site and services, and may share from time to time the aggregate data with advertisers and other third parties like consultants, marketing specialists, etc.

7. With respect to security

Embrioo.com uses industry-standard encryption technologies when transferring and receiving consumer and transaction data exchanged with our site.

8. Contacting the Web Site
